Body Treatment

SAGECLIFFE SIGNATURE STONE CROP BODY SCRUB & WRAP

This is truly a luxurious treatment where desert dry feeling skin & tired muscles meet an oasis. Treatment starts with a stone crop body salt/sugar scrub, then a wrap of natural detoxifying, anti-inflammatory ingredients is layered on. This is removed with steamed towels followed by a relaxing application of stone crop oil, resulting in an amazing glow. Your skin will be visibly radiant, soft, youthful and hydrated. Treatment includes a scalp, hand, arm and foot massage.	\$185 / 60min \$245 / 90min
