### 2020 SANGIOVESE

Red raspberry with a hint of darker fruit. Lots of spice and earth tones. The lovely finish lingers. This wine is yummy. This was our summertime red but it still continues to please everyone in the cooler season. Just received double platinum in the NW Wine Awards.

### 2019 DAKOTA RED

Coco powder and a mixed berry nose. Dusty oak on your palate. Blackberry, sage, and raspberry notes with the hint of coco. Full bodied yet approachable. Good food wine or a wine on a casual Friday night.

### 2019 MALBEC

Dark purple fruit notes also of orange, white pepper, leather, cinnamon, and vanilla. Our Malbec has consistently been an award winner.

### 2019 CABERNET SAUVIGNON

Both fun and complex. Hints of black cherry, chocolate, and cinnamon. Also, dried mushroom and figs. A tasting room favorite. Also an award winning wine.

## ABOUT CHRIS DANIEL WINERY

*On a beach in Marbella, Spain with Cuban cigars and a bottle of Tempranillo, Chris Daniel Stewart and his father, Michael Sean Stewart, decided to start their own winery. They had one goal in mind: Make a wine that maximizes every aspect of the traditional wine making process to ensure the most flavor and character from the grapes.*
