# Menu

### **“Love People, Love Music, Love Life, Love More”**

We craft each dish with your well-being in mind. We seek to know the source of each ingredient and choose direct from Farmer/Grower, Wild, One Animal & Organic whenever possible. To do this, we source our menu from many different suppliers.

We are a scratch kitchen where our prep, dressings, spreads, crackers, dough, pastries, sauces, desserts are made in-house. This requires a team of many chefs throughout the week, seven days a week. Due to this, some dishes may have longer lead times or production constraints. Please be patient & kind with our team and if you are in a hurry, please let your server know. We will do everything possible to accommodate your request.
